Dear Jim:

The Committee to Restore Carbondale City Hall is very much indebted to you and to the Pioneer Days Committee for all that you did for us before and during Pioneer Days 1982. We are especially grateful to you for having included us and our lecture and film series in your advertising. Thank you very much.

During Pioneer Days 1983, the Committee to Restore Carbondale City Hall will sponsor the Second Annual Carbondale City Hall Lecture and Film Series. We look forward to working with you and the Pioneer Days Committee again next year.

Sincerely yours,

Robert

P.S. Thank you, in addition, for the newspaper clippings on the history of Carbondale. The clippings are now an integral part of my "history of Carbondale" file.
